Quick Reference Guide - User Registration in Quora

1. Quora - Overview

Quora is an online community in which users engage by asking, answering, following and editing questions. The answers are either in the form of opinions or facts. This knowledge-sharing platform also enables users to edit questions and comment answers submitted by other users. Users can even upvote (if answer is accurate) or downvote (if answer is inaccurate) the answers submitted by other users. The number of upvotes and downvotes influence the visibility of the answer. Answer with a lot of upvotes will have high visibility in Quora while the answers with a lot of downvotes will not have visibility and not prioritized in Quora.

Quora enables users to access the following features after user registration.

- Build new following feeds.
- Add familiar topics.
- Add questions in the selected topics.
- Write answers to questions in the selected topics.
- Explore interests.
- Search any contents in the search box such as topics, questions, answers, posts, profiles, spaces, and people.
- Update profile details.

3. Enter the **full name**.
4. Enter the **email address**, which is currently active (to receive confirmation mail from Quora for activation later).
5. Enter the **password**. The password must have minimum 8 characters.
6. To validate **reCAPTCHA**, select the check box labeled **I'm not a robot**.

The screenshot shows the Quora registration page. The background features a colorful illustration of people interacting with a large globe. The registration form is centered and includes the following fields and elements:

- Sign Up** section:
 - Name** (field 3): "What would you like to be called?"
 - Email** (field 4): "Your email"
 - Password** (field 5): "Your password"
 - reCAPTCHA** (field 6): "I'm not a robot" checkbox
- Login** section:
 - Email**: "Your email"
 - Password**: "Your password"
 - Forgot password?** link
 - Login** button
- Sign Up** button
- Terms of Service and Privacy Policy** link
- Language** dropdown: "Tamil > Hindi >"

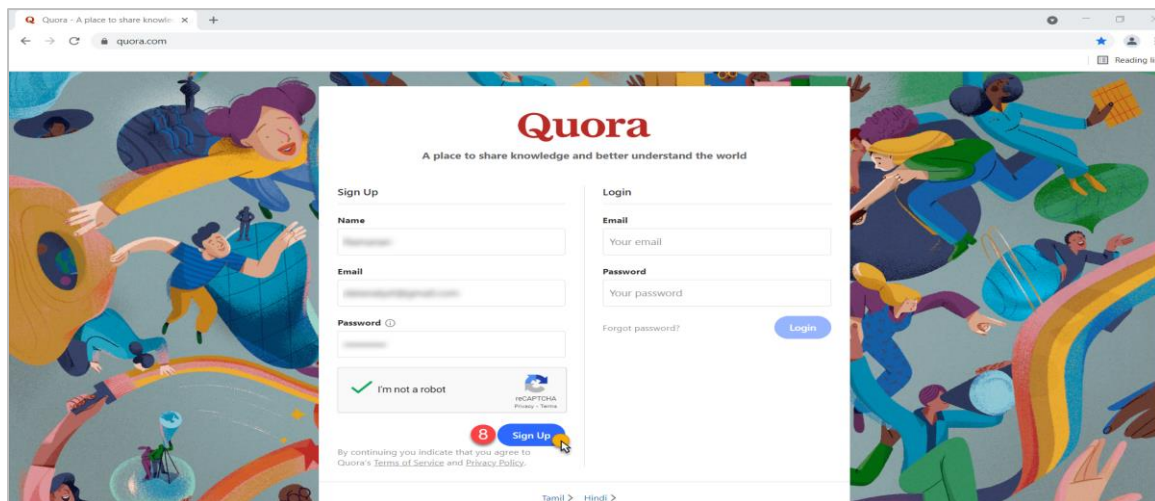

7. Select the appropriate images/squares and click **Verify**.

The screenshot shows the Quora registration page during the reCAPTCHA verification step. The background features the same colorful illustration of people interacting with a large globe. The registration form is centered and includes the following fields and elements:

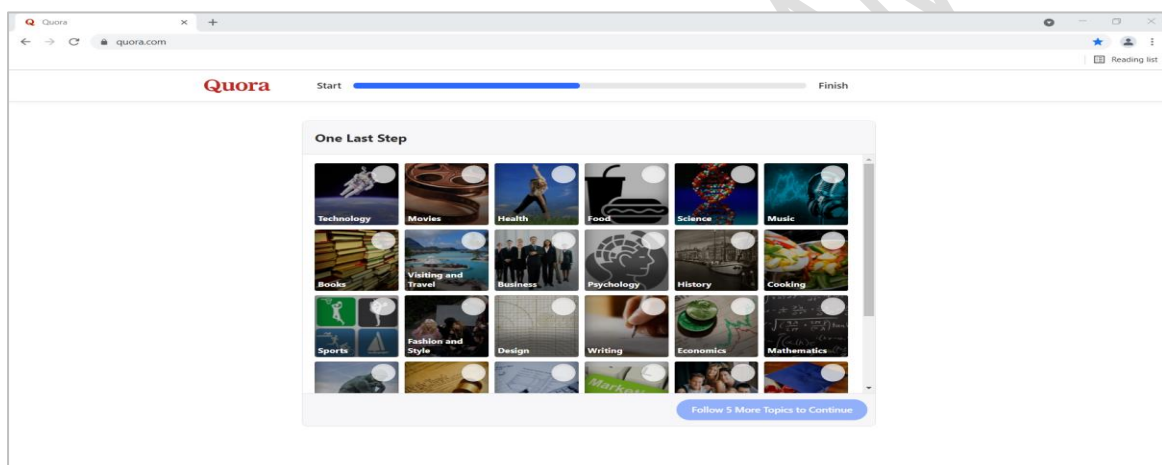

- Sign Up** section:
 - Name**: "Ramar"
 - Email**: "datan"
 - Password**: "*****"
 - reCAPTCHA**: "Select all squares with traffic lights" instruction. The image shows a street scene with a traffic light. The user has selected the squares containing the traffic light.
- Login** section:
 - Email**: "Your email"
 - Password**: "Your password"
 - Forgot password?** link
 - Login** button
- Sign Up** button
- Terms of Service and Privacy Policy** link
- Language** dropdown: "Tamil > Hindi >"
- Verify** button (field 7)

Quick Reference Guide - User Registration in Quora

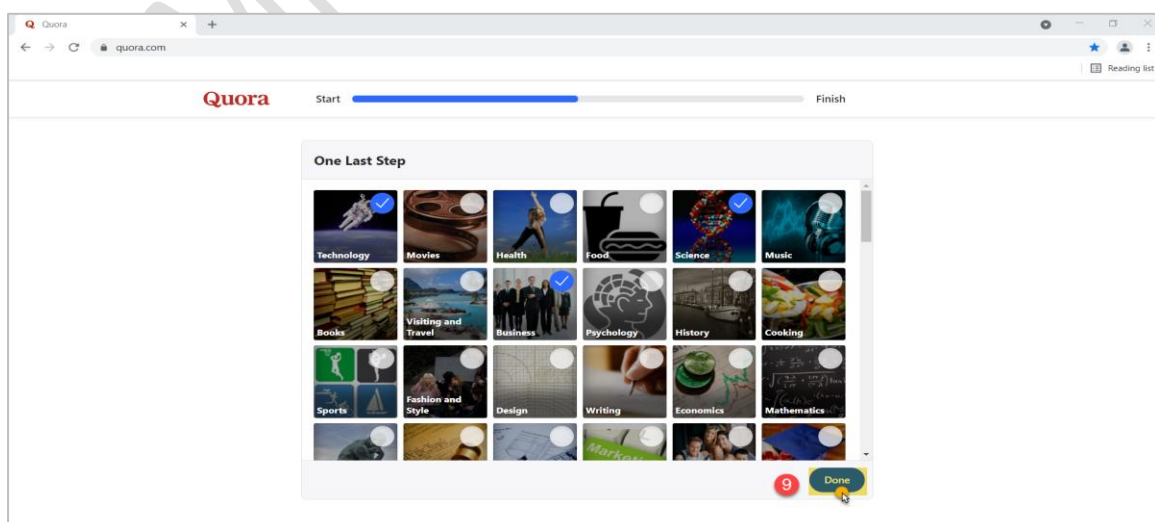

8. Click **Sign Up**

9. Select any of the five topics to follow. The selected topic shows a tick mark at the top right.
